

IEFT computer requirements  
IS 6.3.19

Computer requirements

To study at IEFT and to access the student management system for your online class, you'll need to use a computer to access learning resources, prepare and upload your assessments, make notes, and communicate with your teachers and other students. Whether you are using a desktop, laptop, or tablet, please check your computer that it meets the minimum requirements listed below.

*Note: Please check your subject details page, in case your unit has any additional requirements.*

Minimum Computer requirements

| <b>PC - Windows Based</b>   | <b>Apple Macintosh</b>         |
|---|--------------------------------|
| <b>Computer/Processor</b>   |                                |
| Intel Core i3/AMD 2.0Ghz or better                                | iMac 1.4GHz dual-core or later |
| <b>Operating System</b>   |                                |
| Windows 8 Home Edition or later                                   | OS X Sierra                    |
| <b>Memory</b>   |                                |
| Minimum 4GB, recommended 8GB                                      | Minimum 4GB, recommended 8GB   |
| <b>Hard Drive Space</b>   |                                |
| 256GB or more   | 500GB or more                  |
| <b>Video Card</b>   |                                |
